

BWCHL Conduct Policy

- 1** The BWCHL is a faith-based hockey league organized with the intent of respectful competition. The goal of The League is to allow each player to be competitive while still honoring God with our actions.
- 2** The league welcomes players of all skill levels with an emphasis on SPORTSMANSHIP, RESPECT and a FRIENDLY ENVIRONMENT.

Recognizing the struggles that we can face in sports as in life, The BWCHL has set up a policy to establish an environment that is meant to be helpful for all.

- a) There is NO allowance for: alcohol, drugs, fighting, swearing, excessive physical contact or “show boating.”
- b) We encourage you to come and play but more importantly, establish friendships, look for ways to help other players to improve their game and as with issues in life, learn to be gracious in all aspects of the game.

Furthermore, hockey can be a dangerous sport and injury can happen. I agree to hold harmless the Blue Water Christian Hockey League and Glacier Pointe Arena, should injury occur.

I agree to the conduct expectations and the injury clause.
